

Tough digging

City Water and Sewer personnel have found digging a hole for the sewer line to the East city limits to be tough, indeed. "We have been blasting rock all the way," says Department Superintendent Elmer Faser-

ler. And when he says blasting, he means blasting. The crews have had to dynamite solid rock most of the way from the new motel to their present position just east of the Falstaff Distributing Co.

FIRE DESTROYED

... the object of a fond memory in my life this past week. I read where the steamship Queen Elizabeth I burned and sank in Hong Kong harbor.

In World War II when German U Boats were plying the Atlantic destroying ships almost at will, the Allies discovered the convoy method proved to be about the safest way to ply the ocean with troops and supplies.

That is, with all ships except the two majestic Queens, Elizabeth and Mary. They challenged the German U Boat commanders alone, time and time again.

One of those times was a stormy February in 1944 with me and some 20,000 other troops aboard the Queen Elizabeth. The trip must have taken only eight days, but after what seemed a million zigs and zags (they said the correct terminology was evasive action) we landed in Glasgow, Scotland on old Lawrence's birthday, February 10.

And believe you me, after living eight days on candy bars, leaving half my stomach in the Atlantic, and wondering how many submarines were lying in wait between the next zig and zag, that was the best birthday present this old country boy could have asked for.

Stormy seas, crowded conditions, fear and a constant stomach ailment kept me from seeing much of the old girl on that voyage. But luck was with me. In August 1945, I headed for home and guess how they sent me--on the Queen Elizabeth! This time the weather was perfect; we had less crowded conditions; and there were no zigs and zags with submarines lurking close by.

This voyage took only five days. In fact the Captain attempted a record crossing but one of the fans gave him trouble about half way across and we missed it.

I wandered around the ship, my eyes bugging out at the enormous ballroom areas, ornate, winding staircases and reading what seemed thousands of names carved in banisters, posts, and everywhere by GI's,

State rough on Edwards area pollution violators

With one possible violation already on their hands, the Medina County Commissioners Court Monday passed two amendments to the Me-

dina County Health Unit guide on pollution in the Edwards recharge and buffer zone areas.

One development near

the lake dam is reportedly in violation of the septic tank requirements included in the County ordinance as well as the Texas Water

Quality Board Act of 1971. Commissioners will talk with the owner this week concerning corrections should the violation exist.

Amendments passed are part of the statewide effort to minimize the polluting of water in the state and especially the underground reservoirs such as the Edwards. The act places the responsibility of enforcing the provisions on the County and can file suit on any county that fails to properly enforce the Act.

Court passed amendments, which are appearing as legal notices this week in the Anvil Herald and other county papers, include:

AMENDMENT 1

The Medina County Health Unit

Effective: January 10, 1972. All new installations of septic tank and drainage field systems within Medina County must be inspected by a representative of the Medina County Health Unit before any back filling is done. Minimum state requirements will be enforced as stated in the pamphlet entitled "A Guide to the Disposal of Household Sewage" produced by The Texas State Department of Health. In those areas of Medina County where Texas Water Quality Board order # 70-0731-12 applies, the provisions of that order shall be enforced.

AMENDMENT 2

The Medina County Health Unit

Effective: January 10, 1972. No municipal corporation, private corporation, firm or person within Medina County may provide or create a new facility for the disposal of solid waste within or nearer than 300 yards of any public highway or 880 yards of any dwelling, such facility must first be approved and operated in accordance with current Texas State Department of Health regulations.

Indian chief will visit Museum Day

When Museum Day, 1972 (May 6) rolls around in Hondo there might not be a lot of Indians running around, but there definitely will be one honest-to-goodness Indian Chief.

Chief Fulton Battise of the Alabama-Coushatta Indian tribe near Livingston has informed Mrs. Oswald Sauer, secretary to the Medina County Museum, Inc., that he and his wife, Eva, will be present.

This information came in

the form of a letter read by Mrs. Sauer at the Museum directors meeting Monday night. The letter, signed by Walter W. Broemer, Superintendent of the Alabama-Coushatta Indian Reservation, said:

December 14, 1971

Mrs. Oswald Sauer
Medina County Museum
Box 34
LaCoste, Texas 78039

Dear Mrs. Sauer:

Please forgive my delay in answering your letter of November 16. I have talked to Chief Fulton Battise and his wife, Eva, and they will be pleased to be present to visit with your guests, sign autographs, or whatever on May 6, 1972.

There will be no expense to the Museum. Your donation of the bull calf is payment enough. By the way, he has produced our second calf.

Please write me a reminder two weeks prior to May 6th with location of Museum and proposed agenda of activity.

I will accompany the Chief and we will look forward to seeing you.

Sincerely,
Walter W. Broemer

Judge proclaims '3.76 Week 1972'

County Judge Jerome Decker has proclaimed the week of January 17-23, 1972 as "3.76 in '76 Week" in Medina County.

Cash income to farmers and ranchers in Medina County should be more than \$21,500,000 by the end of 1976, according to Glenn Bragg, County Agricultural Agent.

This will be an increase of more than \$2,300,000 from 1968-69 figures, with livestock contributing a large part of the gain. The projections are based on studies of the Texas Agricultural Extension Service and are part of the "3.76 in '76" program, a statewide project to increase Texas agricultural cash receipts by more than \$1 billion.

Total cash receipts from all agricultural enterprises in Medina County were about \$20,269,000 in 1970 and as a result of the drought \$16,515 in 1971. The most important ones are beef cattle, grain sorghum and corn. They are expected to account for about 75% of the projected 1976 totals.

The county will be aided in its production efforts by the Medina County Program Building Committee, Rene Aelvoet, Chairman. Extension specialists will meet with the Livestock and Crop subcommittees to assist members in planning programs to increase income.

These projections are based on estimates from the County Program Building Committee after separate predictions were made by Extension economists. The

figures were published for each county, Extension district and economic area in Texas.

Hitzfelder seeks re-election

The Anvil Herald has been authorized by Charles J. Hitzfelder to make the following statement in his candidacy for re-election as Sheriff of Medina County:

"I respectfully announce to the voters of Medina County that I am a candidate for re-election to the office of Sheriff of Medina County subject to the May 6, 1972 Democratic primary election.

"Thanking you and expressing my sincere appreciation for your confidence and support in the past by electing me to this important office, I promise if re-elected, to continue to enforce the laws of our State and Country to the best of my ability, without fear, favor or prejudice."

Charles J. Hitzfelder was born and raised in Medina County and attended schools in LaCoste and Devine. He is married to the former Miss Iona Kathleen Langford of Devine. They have three children, Charles, Jr., of Texas City, Mrs. Jeanette K. Holzhaus of Castroville and Mrs. Barbara Ann Adamietz of Hondo.

He has been sheriff of Medina County for 19 years and held the position of

Chief Deputy for seven years before. He was also a member of the Texas Department of Public Safety for two years.

Hitzfelder is a graduate of the Federal Bureau of Investigation National Academy in Washington, D.C., the Department of Public Safety Advanced Narcotic and Dangerous Drugs School, the Southwestern Homicide Investigators School, the Texas Police Academy, the Texas Criminal Investigator School, the Institute of Applied Science and 15 FBI and Texas A&M conducted law enforcement schools.

Letters from the mailbox

Dear Editor:

Should we get out? Some people in the U.S. are giving G.I.'s over here a terrific pain, because there is, in case they haven't noticed, a strong link between the level of Communist aggression here and that of anti-war activism in the States. I'm a recon Marine; and our Mission is to find enemy camps, supply routes and other facilities, thus we're among the first to know when Communist activity increases. Since the Moratorium demonstrations in Washington, this is exactly what happened. Charley is on the prowl again and his attacks on Americans are more frequent and ferocious.

One would think that Americans at home would do everything they can to aid G.I.'s to stay alive; but instead the anti-war demonstrations are contributing to our possible defeat. Dissent at home prolongs the war and renders negotiations useless. As peace-factions demonstrations at home get larger and Reds become more convinced that, if they wait long enough, Pres. Nixon will eventually be forced to order total withdrawal of all American troops, every indication that our will to fight is weakening intensifies our enemy's belligerence.

But I'm really not surprised that this simple com-

mon sense analysis isn't apparent to anti-war protestors, because much of what they do reveals their disordered minds, they march with coffins containing the names of dead servicemen: How is this a protest against the war? Many of these men, I'm sure, died believing in the war. To recall their deaths is to recall of what we must not waste their sacrifice by accepting defeat now! If those dead men whose names were used to protest the war could rise up, I believe their wrath would be terrible.

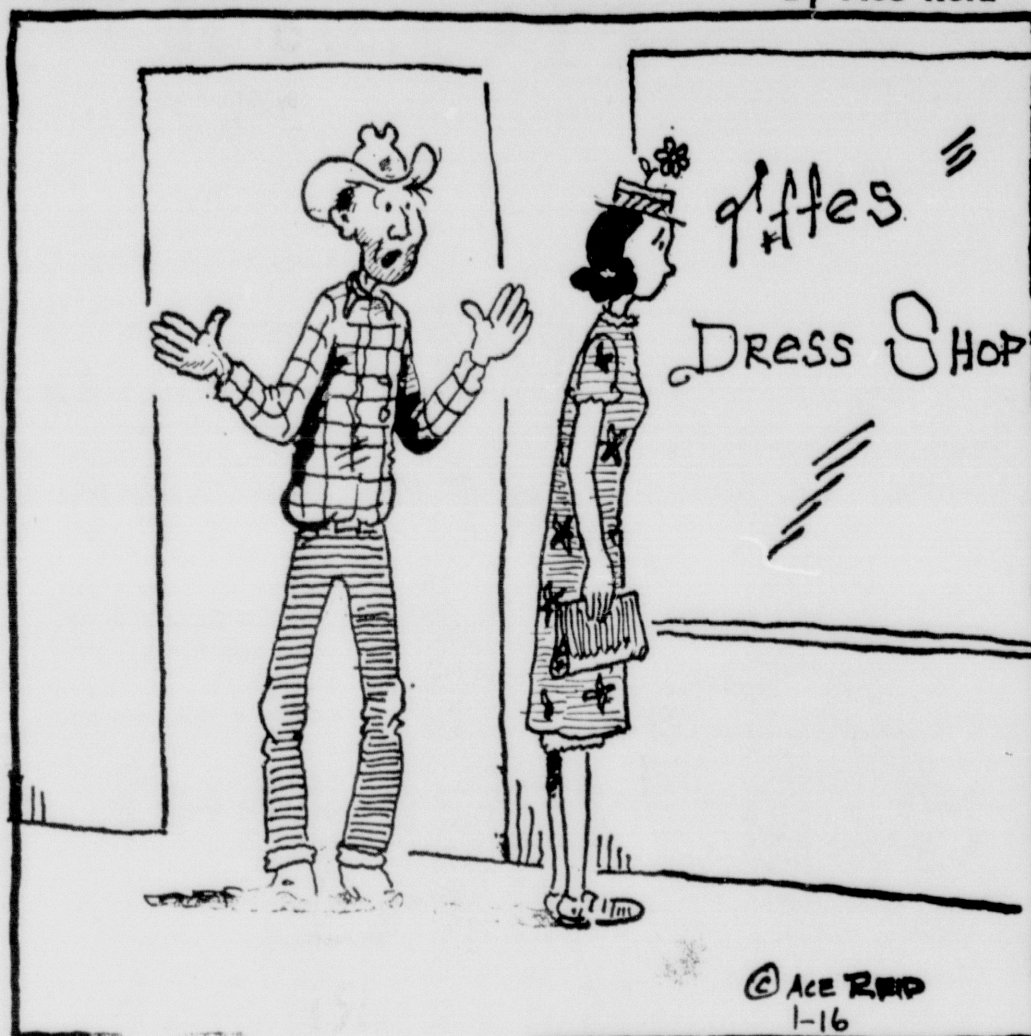

Speaking as a fighting man, I say that our will to carry on is unshakable, we know why we're here and we believe in what we're doing. We mean to ensure that the freedom that prevails in America shall also prevail over here, and we're determined that the American lives lost so far will not have been wasted, which is what will happen if, after all this bloodshed, we simply pull out and let the Reds take over.

I, myself, am willing to die, for the eventual victory of the American and S. Vietnamese cause. We United States Marines are well-trained killers: this is our job and we do it for Freedom. I know the majority of Americans is behind us, and it's time for that majority to speak out and the pacifist minority to be silent, the essence of manhood is willingness to fight. Let's get on with the job!

Political pot now boiling

If the weatherman can't raise the temperature in Medina County, it looks as though politics will do it for him.

Jockeying for position before the Feb. 7 filing deadline local hopefuls this week began filing for county offices.

Joseph M. (Joe) Pitre, former Hondo Chief of Police, filed for sheriff in opposition to incumbent Sheriff Charles J. Hitzfelder. Hitzfelder also filed for re-election to give the race for this office an exciting flavor.

Lee Moss has filed as a

candidate for Medina County Tax Assessor-Collector. As of Wednesday morning incumbent Alfred Rohrbach has not filed for re-election.

In the race for County Attorney, which is to be vacated by Frank Vance not seeking re-election, Albert

Vance has filed as a candidate.

Two county commissioner precincts must be filled again this year. That will be Precinct 1, occupied by Fred Bader, and Precinct 2, occupied by Charles Langfeld. Both are expected to seek re-election.

City Elections

Things could warm up in the City of Hondo Council races, too.

The Hondo City Council called an election for Saturday, April 1, 1972, which will feature three council

places. These include: Place 3, Ralph Hauger, incumbent; Place 4, Hilmer Mueller, incumbent; Place 5, G. E. (Pete) Pedroza, incumbent.

Persons interested in filing for these positions have until March 1 to file.

Phone rates changed

An adjustment of long distance telephone rates within Texas, announced on July 31 but deferred because of the wage-price freeze, has been authorized by the Price Commission in Washington and went into effect at 12:01 a.m. Wednesday, December 29.

The new telephone rates feature reduced charges for most One-Plus Dialing and increased rates for operator-

assisted calls within Texas. Harold Johnson, manager for Southwestern Bell in Hondo, said the adjustment should increase the company's intrastate revenue by about 2 percent.

Also being introduced along with the new rate for One-Plus Dialing are:

- A new one-minute initial period of "night" (11 p.m. to 8 a.m.) One-Plus calls which do not require the serv-

ices of an operator;

- New rates for all operator-assisted calls (station-to-station, person-to-person, credit card, coin, third number and "collect") during all calling periods;

- New rate periods (day, evening, night and weekend) on One-Plus calls. These time periods are the same as now in effect for calls going outside Texas.

Johnson also pointed out that two holidays -- Labor Day and July 4 -- are being added to the list of days on which reduced rates apply for One-Plus calls within Texas.

The new One-Plus rate also will be available in cities which are not now equipped for One-Plus when a station-to-station call is charged to the telephone from which the call is made, but this rate will not apply on station collect calls, credit card calls, calls charged to a third number or station calls made from coin telephones.

New sound system ready for rodeo

A new sound system now being installed will make every seat in the arena a choice seat, according to Owen M. Salter, sound engineer for the Joe Freeman Coliseum.

"With the old system there were, unfortunately, several spots where people in the audience had difficulty hearing," Salter said. "This new system should completely eliminate any 'dead' spots so that every person attending the 1972 Stock Show Rodeo or other attractions at the Coliseum will hear equally as well, no matter where he sits."

The new system consists of six horns each powered by two 50-watt drivers, each of which is larger and more powerful than those used previously, will provide double the power directed towards the end sections of the oval-

shaped arena. And, because of the improved design, the new horns will provide better coverage from the arena floor to the top rows.

"We will not be putting our more sound," Salter explains, "but the sound will be of better quality and much more evenly distributed throughout the arena."

The new system should be completely installed and ready to operate by the time the 1972 Stock Show and Rodeo opens Feb. 11.

Rites held in Castroville for Mrs. Alexandrina Ahr

Funeral services for Mrs. Alexandrina Ahr of Lakehills were held in Castroville Saturday, Dec. 18, 1971, following rosary Friday night at Tondre-Guinn Funeral Home. Requiem Mass was held at St. Louis Catholic Church with Msgr. Paul Ehlinger and Rev. Larry Steubben officiating.

Mrs. Ahr had attained the age of 90 years being born June 6, 1881, the eldest daughter of pioneer parents, Leopold Haby and Hortense Haegelin Haby.

On Dec. 29, 1903, she

James Randall Gray, 27, was killed early Saturday morning, January 28, 1972, when the car in which he was riding went out of control and crashed three miles east of Castroville. Funeral services were held Sunday, Jan. 9, at 2 p. m. at the First United Methodist Church in Hondo, Rev. Homer Welmer officiating. Interment was in Oakwood Cemetery, Hondo.

An electrician for the City of Hondo, Gray was born July 27, 1944 in Hondo, the son of Mr. and Mrs. James C. and Mary (Nicholson) Gray, who survive. He was married to the former Sarah Lee

Lutz of Hondo. Gray attended school in Hondo, was a member of the Methodist faith and had served in the U. S. Navy.

Besides his wife and parents, Gray is survived by two sisters, Mrs. Frances Painter of Abilene and Mrs. Pam Mougel of San Antonio; and grandparents, Mrs. Clara Gray of Hondo, Mrs. Minnie Whetstone of Uvalde and W. R. Nicholson, Victoria.

Pallbearers were Jeff Mougel, H. H. Painter, Pete Ulbrich, Tom Steddum, William Freeman and Oscar Dominguez.

Honorary pallbearers were Fred Johnson, Gene Harrison,

H. D. Eckhart, Albert Vance, Bobby Zuberbuehler, John Silliman and Joe Valesquez.

The driver of the car, 21-year-old Billy Ray Halliburton, also of Hondo and brother-in-law to Gray, was reported in fair condition at Medina Memorial Hospital following the accident. Both were pinned in the wreckage and wreckers had to be used to free them.

Authorities said the accident occurred when the car went out of control, crossed the median and flew through the air across a dry creek bed before coming to rest. The accident occurred about two a. m. Saturday on Highway 90.

Guinn-Horger Funeral Home was in charge of funeral arrangements.

Jerrienne Biry is bride of Thomas H Richter

St. Matthew's Catholic Church, San Antonio, was the setting for the marriage of Jerrienne Biry and Thomas Henry Richter Saturday, January 8, 1972.

Parents of the couple are Mr. and Mrs. Joe H. Biry and Mr. and Mrs. Charles V. Richter of San Antonio.

The Msgr. John J. McDonald officiated in the double-ring ceremony. Music was presented by Mrs. Alfred Sturchio.

Given in marriage by her father, the bride wore a formal empire gown of white satin with a high cowl neckline. The long tapered sleeves had Alencon lace appliques with white seed pearls with a matching motif on the high empire waist. The attached train fell below a large flat bow, with small satin buttons extending from the top of the neckline to the end of the train. Her headpiece was a satin came-

lot design covered with Alencon lace beaded with small seed pearls. The long flowing veil of imported English illusion extended to the edge of the bride's train. She carried a bouquet of phalaenopsis orchids and stephanotis.

Attendants were Mrs. John Francis Warren, matron of honor, and sister of the bride from Camp Lejeune, North Carolina. Her bridesmaids were Miss Karen Harrison of Salt Lake City, Utah, Miss Paula Henderson of El Campo, Mrs. James Stephen Baker of Houston and Miss Melissa Anderson and Miss Janice Graham of San Antonio.

They wore identical gowns of brown peau de soie that had high necklines. The skirt edged with a wide ruffle was softly gathered to the bodice at the waistline. They carried cascades of yellow mums and English ivy.

Chris Hopmann of San Antonio was best man.

This week

Home Demonstration clubs are still going strong in Medina County. Thirty-three years ago, according to 1939 reports in this newspaper, the clubs held an annual Exhibit Day.

That year, the Hondo clubs exhibited foods; LaCoste, landscaping; Murphy, playground equipment; Yancey, outdoor living rooms; Quihi & New Fountain, utilization of dairy products.

Dunlay featured an exhibit of canned foods; Upper Hondo, arts & crafts; Rio Medina & Cliff, party refreshments. The HD Council sponsored farm gardens. Those must have been busy days as well as profitable ones.

Generations of countians have participated in the HDC program and today's 4-H, FHA and FFA girls and boys will be tomorrow's leaders telling others "Now when I was your age . . ."

I don't know too much about kilowatt-hours except that they appear regularly on my electric bills, and that I'm aware of their many blessings. Again, going back to 1939, this report in an REA story (as our present Medina Electric Co-op was known then) credited these accomplishments to a single KWH:

"It will heat your curling iron for 42 hours; make 30 waffles; percolate 40 cups of coffee; grind 250 pounds of hamburger; and shell 30 bushels of corn".

At last report KWH's were not spending much time heating curling irons, but they are now probably working overtime on hair dryers.

The C. B. GASTONS are football fans from the Hondo Owls all the way to the national finals. Saturday was a long day but they stayed with the games until long past bedtime when they finally blew out the light.

CHARLEY was asleep the minute his head hit the pillow (said JEWEL) but his snoring made it impossible for her to get to sleep.

She decided to do some wide-eyed snoring to see what that effect that might have. In moments, her spouse was shaking her and saying "Turn over, your snoring woke me up!"

When I asked what they'd give me not to report this true story, the blackmail plan didn't work. Jewel said "Go ahead, if anybody had been listening, they could have heard Charley without waiting to read about it!"

One evening last week while I was in one of the "410" shopping malls, I heard someone call, "Wait a minute" and turned to see a young woman who said "You're 'THAT'S ALL' but you don't know me!"

Then she introduced herself as DORIS (Mrs. Bobby) GOODWIN whose husband is on the staff of our local Radar Weather Tracking Station. The Goodwins (originally from Memphis, Tenn.) have been Hondoans (701 20th Street) since June 24th and are as happy to have been assigned to "small town living" as their fellow citizens are to have them among us. Welcome aboard!

Rounding out this delightful family whose members are all involved in many of our civic projects and activities and who signify a willingness to "pitch in and help wherever we can" are WALLY, a 9th grader who is also a member of BILLY HARRELL's OWL BAND; TERI (and I'm being VERY careful to spell it per her instructions), who is a charming 6th grader; and DENISE who is exploring the wonderful world of second graders.

Another new acquaintance is former Hondoan STEVE KOCH, now of Houston, where he is in the sheet metal contracting business. He and Mrs. K (EDYTHE) were in town visiting his brother ROBERT and family.

Steve had some kind things to say about our ANVIL HERALD (tell us more!) and he said he keeps in touch with the old home town, which he left in 1922, by reading us cover to cover each week.

How's that for subscriber loyalty? Our many subscriber KOCHS are appreciated, that's for sure. Too many "cooks" can't spoil our broth!

From an Iowa paper comes this bit of pointed advice to advertisers which please note: THE MOSQUITO WHO DOES A HUMMING BUSINESS IS NEVER SATISFIED WITH JUST ONE INSECTION.

NEED MONEY? Sell something out of your garage or attic with a CLASSIFIED AD in the HONDO ANVIL HERALD. You can charge it!

Chant- Wiemers vows in double-ring ceremony

Miss Carolyn Nancy Chant and Duane Wilkes Wiemers were united in a candlelight ceremony Thursday evening, Dec. 23, 1971 at the Church of Christ in Natalia, Bro. Dan Pitts, Minister for the church, officiated at the 7:30 p.m. double-ring ceremony.

The bride is the daughter of Mrs. N. E. Chant, Devine, and the late Mr. Chant. The groom is the son of Mr. Wilkes Wiemers of Hondo and Mrs. W. H. Johnston of San Antonio.

Given in marriage by her uncle, Ray Chant, the bride wore an empire waist gown of permanent pleated crepe fashioned with a round neck and full sleeves below the elbow that tapered to full length. Accenting the waist gown were applique lace roses and tiny pearls arranged on peau de soie. Tapering into a short train and complemented with applique lace roses and pearls was the full length peau de soie skirt. Adorning the gown was a shoulder-length veil caught by bandeaux of orange blossom, pearls and lily of the valley. The bride carried a nosegay of white carnation interlaced with baby's breath and centered with an orchid corsage.

Attending the bride as maid of honor was her sister, Miss Glenda Chant, and as bridesmaid, Mrs. Truitt Wilford of Houston, a cousin of the bride.

The nuptial attendants were elegantly attired in full length gowns of chiffon and royal blue velvet. Accentuating the empire waist gowns were blue and white eyelet embroidery. A high round neckline and long full chiffon sleeves detailed the bodice. Completing the ensemble were the nosegays of white carnations sprinkled with baby's breath and trimmed in sparkling white.

Preceding the bride was little Miss Terri Chant, niece of the bride, strewing traditional flower petals on either side of the aisle.

Serving the bridegroom as best man was his cousin, Charlie Mummie of Hondo. The groomsmen were also a cousin, Glenn Maennink of Hondo. Master James Chant, nephew of the bride, served as ringbearer. Ushering the many local and out-of-town guests were the brothers of the bride, Chris Chant of Fentress and Ivan Chant, Devine.

The couple recited their vows before an arrangement of four candelabra interwoven with English ivy and each set with seven white tapers. Highlighting the rostrum was a lavish display of flowers artistically arranged by Mrs. Ray Luce of Montell, an aunt of the bride. The family pews were marked with large royal blue bows adorned with daisies. Traditional wedding music was sung by a cappella chorus.

Following the ceremony a reception was held in the church basement. The bridal bouquet, flanked by twin angel candle holders, centered the bride's table. Serving punch from an early American crystal bowl was a sister-in-law of the bride, Mrs. Chris Chant. The bride's cake, a three-tier confection, decorated with sugar spun white roses and topped with a miniature bride and groom, was served by another sister-in-law, Mrs. Ivan Chant. The bride's cake was baked and decorated and presented as a gift to the bride by her aunt, Mrs. Ray Luce.

Serving the German chocolate groom's cake, baked and presented to the couple by Mrs. Wayland Day, was Mrs. J. C. Martin, San Antonio, sister of the groom. Serving coffee from a silver service was another sister of the groom, Mrs. Delroy Dietert, also of San Antonio.

Presiding at the bride's book was Mrs. Rick Campsey. Assisting with the reception were Mmes. Ray Chant, Wayne Barber, Charles Brown, Sr., and Misses Melanie Pitts and Cheryl Richardson. Distributing rice bags were Misses Danice Pitts, Suzanne Barber, Terri Chant and Melody Richardson.

For travel, the bride chose a blue empire double-knit dress with black accessories and a gold locket, a gift from the groom. Her corsage was an orchid from her bouquet.

After a wedding trip to San Antonio and Houston, the couple is at home at Yancey Star Route, Box 27, Hondo.

Mr. and Mrs. Wilkes Wiemers of Hondo honored their son, Duane, and his fiancée, Miss Carolyn Chant, with a rehearsal dinner at a local restaurant in Hondo. A Christmas motif was carried out. Place cards of Christmas bells bearing the names of each of the 20 guests decorated the table. After the dinner, the party went to Natalia to rehearse the wedding planned for Dec. 23 at the Church of Christ.

KRME to celebrate 2nd anniversary Feb. 14

Radio Station KRME, Hondo, will celebrate their second anniversary and salute their Mexican-American listeners at the same time with a big party and dance on Monday, February 14, at the Hondo National Guard Armory.

The dance will be hosted by Armando Gonzales, who is the regular host of Caravana Musicales each afternoon Monday-Saturday, over KRME from 3-6 p.m. Bands from throughout the area will be featured for the dance and a highlight of the evening will be the crowning of the anniversary queen.

Local and county officials plus special guests will be invited for a Mexican dinner and the crowning of the queen. Two Hondo girls and one from D'Hanis have al-

ready begun soliciting votes for KRME Queen. They are Goldie Cortina and Mary Elsa Benavidez of Hondo and Sylvia Silva of D'Hanis.

Tickets are expected to go on sale Monday at the KRME Studios and are priced at \$5 per couple, \$3 for a-

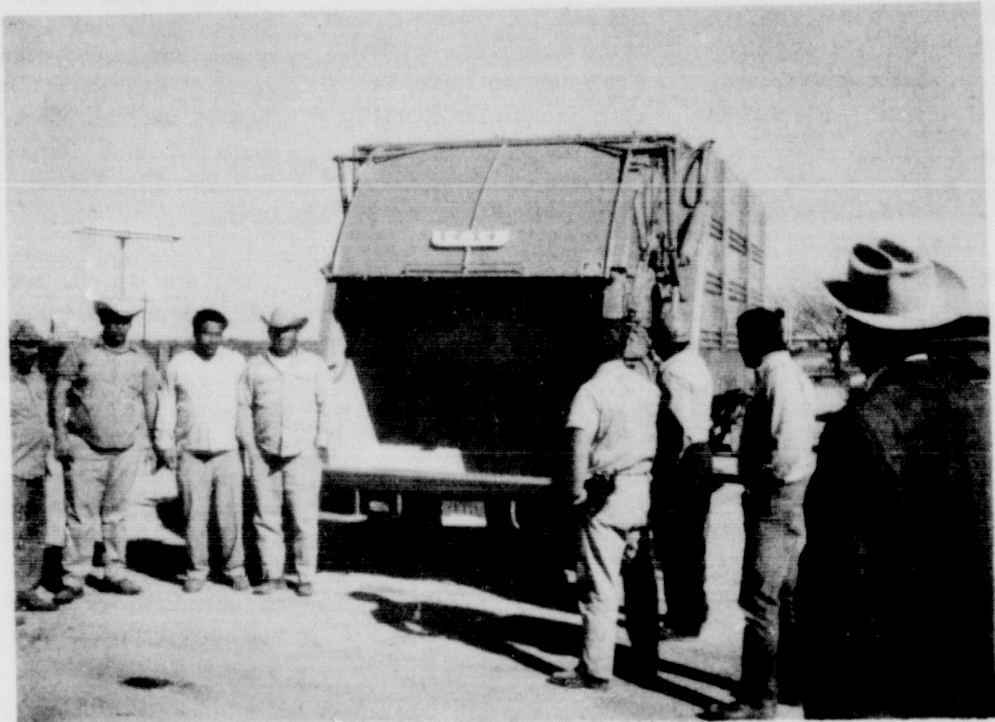

dults and \$1 for students. Tickets will be higher at the door. Tickets will be available at the KRME Studios daily, except Sunday from 9 a.m. - 5 p.m. or by sending a check or money order to KRME, P.O. Box 447, Hondo, Texas 78861.

Four escape serious injury

Four LaCoste young people were only slightly injured early Saturday morning when their car was demolished by a speeding passenger train at the Gross Lane Crossing just east of LaCoste.

Suffering minor cuts and bruises were Phillippe Rangell, Jr., Johnny Montalongo, Albert Chavez and Joe Alivon, all of LaCoste.

LaCoste Constable Alvin Santleben said the car, driven by Rangell, went out of control and failed to negotiate the crossing. Instead the car landed on the tracks and became stuck. The occupants fled the car before the passenger train struck the vehicle. Authorities said the car was totally demolished.

Inspect new truck

The hauling of garbage in Hondo will take on a new look when this truck, delivered to the city Tuesday, starts rolling. The truck will hold more, thus cutting down on the num-

ber of runs the men have to make to the dump grounds. Here city personnel inspect the truck at a demonstration Tuesday.

Owls wallop Southwest 74-29

The Hondo Owls scored their third win of the season and second in district play Friday night with a 74-29 route of San Antonio Southwest.

While the Owls were busy beating Southwest the Pearsall Mavericks stamped themselves as the district favorite with an impressive 99-69 win over Devine in a battle of unbeaten teams.

In Friday night's game, the Owls pulled away early in the first quarter and led 46-12 at halftime. Coach Dan Keath played everyone suited for the game in the second half but the Owls still outscored the Dragons 38-17.

James Batteau, Keith Ligon and Gordon Wiemers all ended in double figures for the Owls with 20, 18 and 10 points. Other Hondo scorers were Tom Hill and Robert Blackshear, 7 each, Eric Grant, 6, Lonnie Knowles, 4 and Ben Ybarra, 2. Squires and Guidry led the losers with 8 and 7 points.

At Pearsall the Mavericks

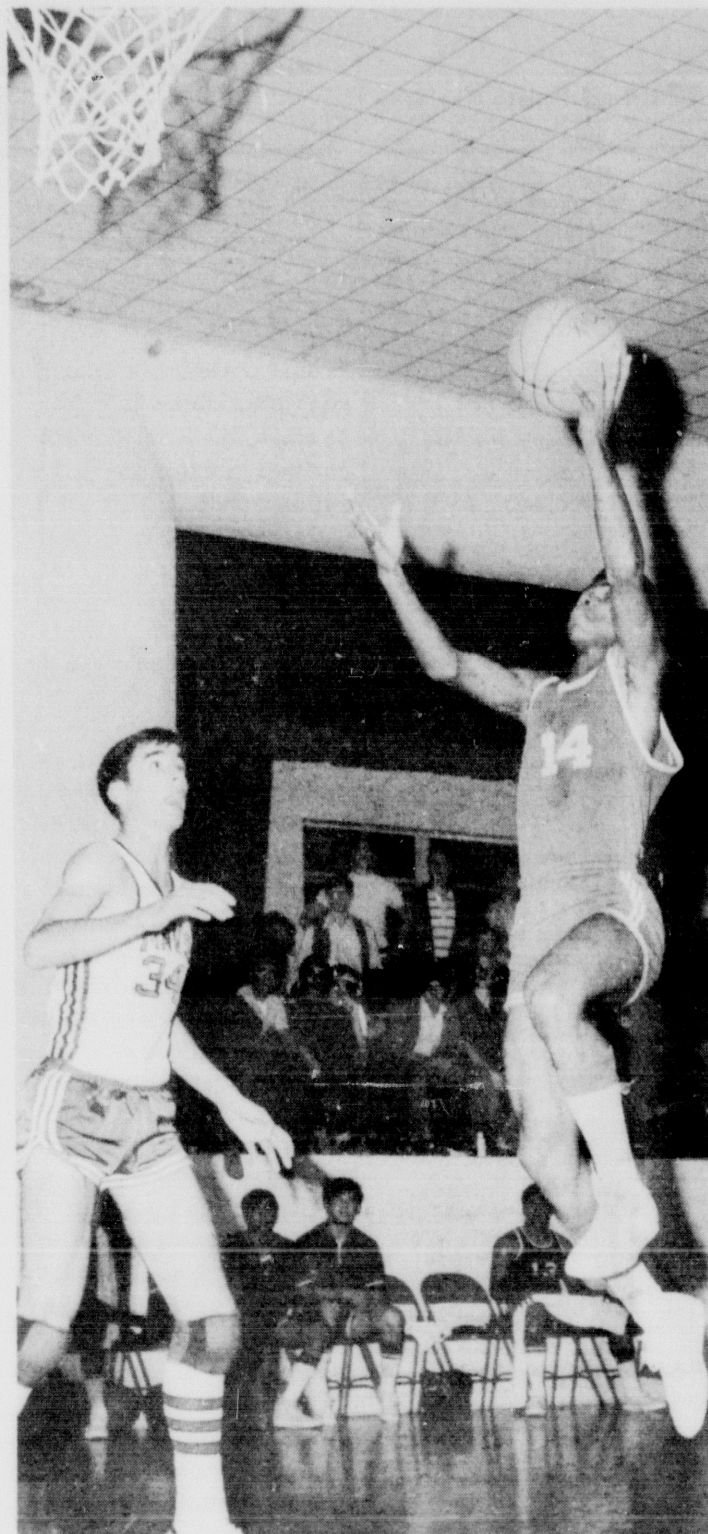

rushed to a 59-33 lead over Devine and then coasted to the victory. The winners had four men in double figures led by Wilson's 37 points. Dennis with 24 points led Devine. Pearsall is now 3-0 in conference play.

B-Team

In Friday's "B" squad game at Hondo, the Owls won their fourth against only one loss with a 48-43 win. The junior Owls led all the way after opening up a 13-4 first quarter lead over the Dragons. Doug Helvey led Hondo with 15 points, while William Green and Ray Garcia added 10 each and Gene McAnelly got 9 points. For the losers Horwell and Deskins combined for 33 of their team's 43 points.

Mothers to march

An American tradition will continue on Monday, January 17, 4 to 8 p.m. as March of Dimes volunteers ring neighborhood doorbells on behalf of the Mothers' March against Birth Defects.

Mrs. Ralph Hauger, chairman of the annual drive, urges wholehearted support of this appeal to improve the quality of life at birth. "Until we can protect some quarter of a million infants every year from lifelong handi-

caps, everyone must help," she explains. "In recent years, an increasing number of men have offered their services too."

Mrs. Hauger cites the rubella vaccine, Rh serum and rapid advances in treatment at birth as exciting progress in the quest for a healthy birthright for all children.

To speak at YF meet

Corn and grain sorghum production will be discussed at the regular monthly meeting of the Hondo Young Farmers next Tuesday night, January 18, at 7:30 in the Vocational Agriculture building at Hondo High School.

Dr. Ed Colburn, area agronomist for the Texas Agriculture Extension Service at Uvalde, will be the featured speaker and will discuss some of the latest research developments in grain production. All interested farmers and ranchers are invited to hear this program.

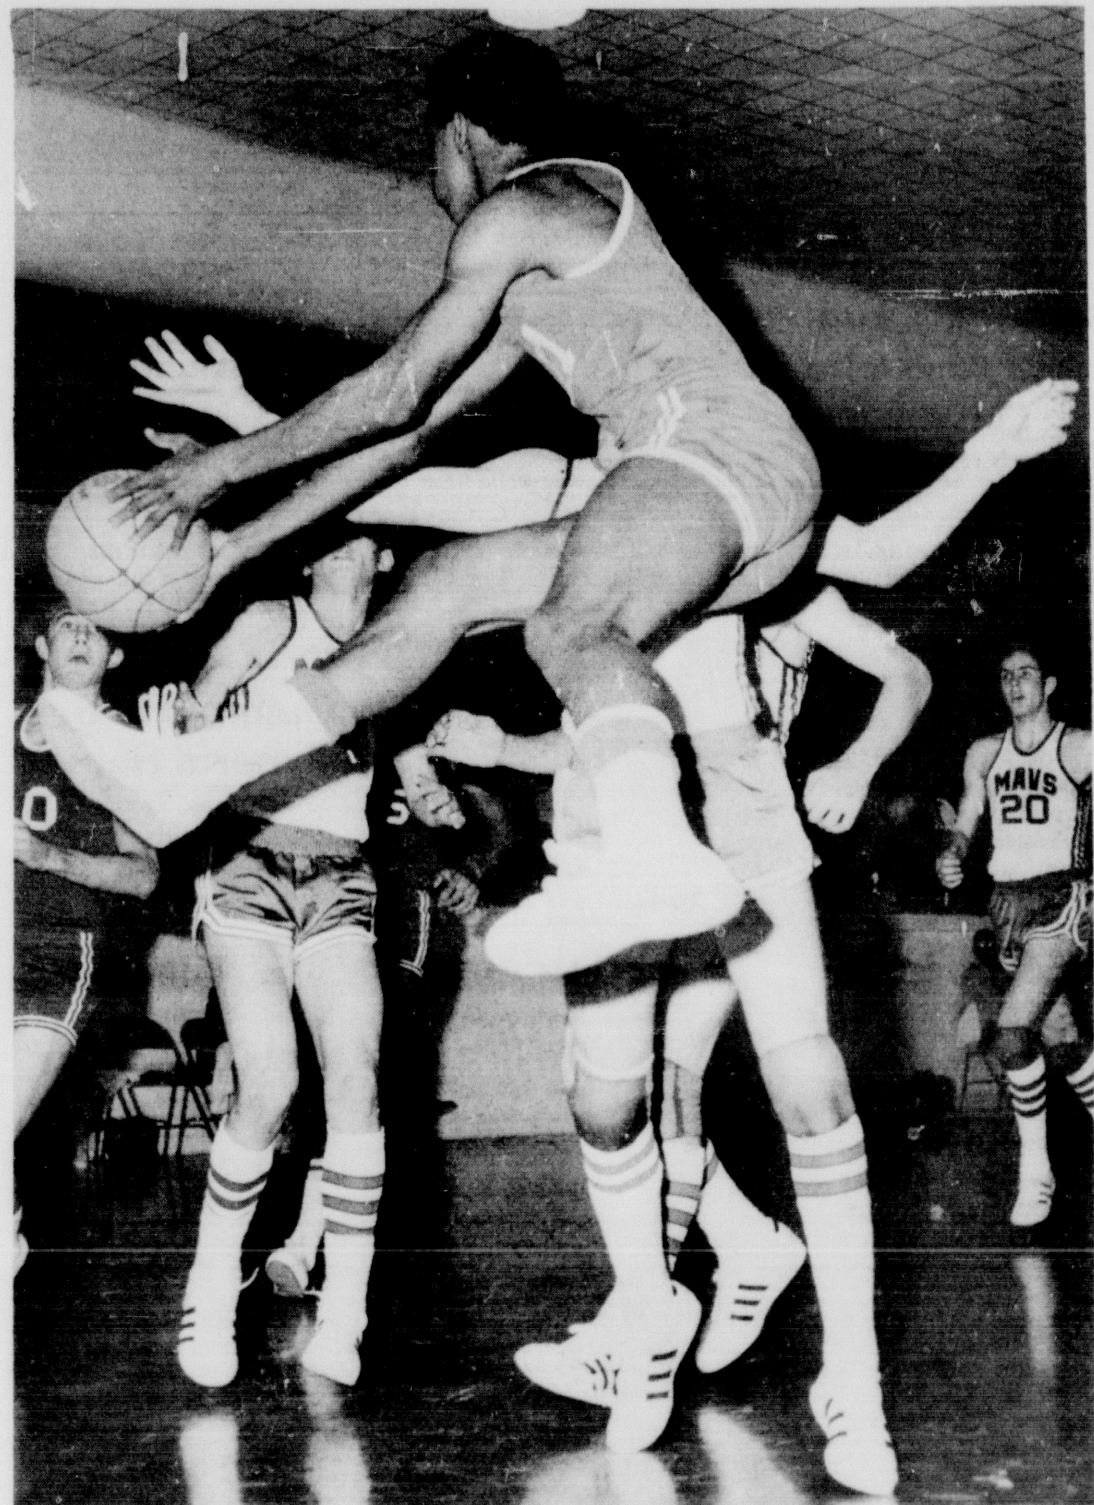

After the program, the Young Farmers will hold a business meeting to discuss the upcoming Young Farmer-Young Homemaker State Convention on Friday and Saturday, January 21-22, in San Antonio. Headquarters for the Young Farmer Convention will be the Gunter Hotel while the Young Homemaker activities will be centered at the nearby St. Anthony Hotel. An Awards Banquet will be held Friday night.

Young Farmer members are reminded to bring their deer antlers and turkey beards Tuesday night so that winners in the Chapter contests for widest spread, most points and longest beard can be determined. Only deer killed in Medina County are eligible.

Hondo upsets previously unbeaten Pearsall 81-78

The Hondo Owls upset the previously undefeated Pearsall Mavericks Tuesday night on the Hondo court 81-78 in a District 28-AA game.

The win gave the Owls and the Mavericks identical 3-1 records for the season. Hondo took a 45-40 half-time lead and then fought off the charging Mavericks throughout the entire second half.

Hondo overcame a 38-point effort by the losers Steve Wilson with a balanced scoring attack in which five men reached double figures led by Gordon Wiemers with 15, Robert Blackshear with 14 and Eric Grant's 13 points. Lawler added 14 points for Pearsall.

Other scorers were Tom Hill, 11; Lonnie Knowles, 10; James Batteau, 8; Keith Ligon, 6; and Faron Helvey, 4. Pearsall scorers were Wilson with 38 points, Lawler 14, McGehee 10, Hanson, 8, Perry 6, and Carolla 2. Doug Helvey scored four points for the Varsity, but earlier in the evening had scored 22 points in leading

the Hondo "B" Squad to a 54-26 win over the Pearsall "B" Team.

The "B" squaders opened up a 29-13 half-time lead and coasted to their fourth straight conference win. Gene McAnelly added ten

points and Bryan Finger seven for the winners.

The Owls return to conference play Friday night travelling to Carrizo Springs before hosting Medina Valley at Hondo next Tuesday night.

Junior Livestock entries in for the 1972 event

Overall entries are down this year in the Medina County Junior Livestock Show, but that won't detract from the quality of the show, according to County Agent Glenn Bragg.

"We have fewer steers and pigs entered," Bragg said Tuesday as he went over the entry list for the February 7-8 event. "But we feel the quality will be better and the standard of our show will actually be higher."

Entries total 354 and broken down include: 30 steers

(10 FFA, 20 4-H), 54 pens of fryers (36 FFA, 18 4-H), 20 capons (12 FFA, 8 4-H), 146 lambs (74 FFA, 72 4-H), 98 pigs (57 FFA, 41 4-H).

"We will accept entries beginning at 7 a.m. on February 7," Bragg said. "And they all must be in by 10 a.m. that day."

Commercial calves must be at show barn between 6 and 8 a.m. February 8.

Natalia Athletic Club submitted the best bid on concessions at the annual Junior Livestock Show held at the Hondo Livestock Auction barns. The club bid 36 percent for the show and 64 percent for the club. There were three bids submitted. Here in Hondo

During the week guests in the home of Mr. and Mrs. Robert Koch were Mr. and Mrs. L. F. Hester of SA, Charles Koch of Bracketville, Donald Koch of Abilene, R. J. Koch of Corpus Christi, and Mr. and Mrs. Steve Koch of Houston.
